A Plus Tutoring			
Point of Contact:	Richard Hardison		
Email Address (if applicable):	a.plus.tutoring@hotmail.com		
Web Page (if applicable):			
Street Address 1:	2825 Lexington Road	City:	Louisville
Street Address 2:	Box 100	State:	KY
Telephone:	(502) 897-4290	ZIP Code:	40280
Technology Accessible?	NO		
Areas Served:	Jefferson Co.		
Description Of Services	A Plus Tutoring provides one-on-one tutoring in the student’s own home. While we help students (K-12) from all schools, we have special relationships with Conway Middle School and Stuart Middle School. Many students struggle academically because they aren't organized, so our certified tutors teach our clients organizational skills. We focus most of our subject tutoring on Math, Reading and Spelling, because we believe that mastering these core subjects is essential for success in high school and beyond. We also do SAT and ACT preparation. We work so that your child can maximize his or her learning potential. Our tutors are also flexible and family-oriented. We believe that family is important, so we will work around you and your child’s schedule. Our sessions are normally 90 minutes long, and we meet once or twice each week.		
A to Z In Home Tutoring			
Point of Contact:	Scott Hines		
Email Address (if applicable):	Scott.hines@atoztutoring.com

Email Address (if applicable):	brittw@nclb-projectsuccess.com		
Web Page (if applicable):	http://www.projectsuccessworks.com		
Street Address 1:	20674 Hall Rd.	City:	Clinton Township
Street Address 2:		State:	MI
Telephone:	(586) 465-9474	ZIP Code:	48038
Technology Accessible?	YES		
Areas Served:	All Kentucky School Districts		
Description Of Services	ATS Educational Consulting Services – Project Success offers eligible students support in English language arts (including reading) and mathematics. We offer services online in the comfort and safety of the student’s home by supplying students with a pre-programmed computer and dial-up Internet service at no cost. Once the student begins Project Success, he/she is assessed. We encourage students to complete four one-hour sessions per week. Our staff monitors the student’s progress online and follows-up with daily e-mails to the student and calls to their parents once each week. We also furnish parents with weekly written reports. Additionally, we work with many Spanish-speaking parents and students and employ teachers who are fluent in Spanish as well as offer math in Spanish.

Brainfuse Online Instruction (Trustforte)			
Point of Contact:	Alex Sztuden		
Email Address (if applicable):	requests@brainfuse.com		
Web Page (if applicable):	www.brainfuse.com		
Street Address 1:	271 Madison Avenue	City:	New York
Street Address 2:		State:	NY
Telephone:	(866) 272-4638 (toll free)	ZIP Code:	10016
Technology Accessible?	YES		
Areas Served:	All Kentucky School Districts		
Description Of Services	Brainfuse is the nation's leading provider of one-on-one tutoring to schools, offering online tutoring in Math, Reading, and Writing (grades 3-12). With us, students receive individual attention from carefully selected tutors through our kid-friendly online classroom -- all that is required is a computer with internet access. Studies confirm that students prefer Brainfuse to traditional group tutoring because we provide the best tutor-student ratio and thus greater opportunities to ask questions, participate, and receive help in critical areas. Also, we offer complete freedom when scheduling (we're available anytime, day or night, 7 days a week).		

Bright Sky Learning			
Point of Contact:	Helene Furlong		
Email Address (if applicable):	helene@brightskylearning.com		
Web Page (if applicable):	www.brightskylearning.com		
Street Address 1:	2 Ponds Edge Dr	City:	Chadds Ford
Street Address 2:		State:	PA
Telephone:	(610) 388-9600 ext. 212	ZIP Code:	19317
Technology Accessible?	NO		
Areas Served:	All Kentucky School Districts		
Description Of Services	Bright Sky Learning provides top quality research-based reading and math instruction to students in grades K-12. The structure of the program is based upon locating gaps in student knowledge through assessment. The identification and remediation of lower level skills results in the ability to learn higher-level skills, resulting in increased levels of achievement. Each student's learning plan is collaboratively developed from the data derived from the Bright Sky Learning assessments and the school district, with input from the parents and students, in accordance Kentucky's Student Performance Standards. Program and goal monitoring is done on an on-going basis to ensure student progress.

Areas Served:	Fayette County Schools		
Description Of Services			
<p>Education Station's goal is to partner with families, schools and community/faith-based organizations to deliver high quality supplemental services programs in a convenient time and place for parents. Education Station's small group direct instruction is available for students in grades K-12. Students will receive either reading or mathematics instruction. Our programs are generally delivered at school sites, after the regular school day. Most students will receive 2 or more, 60-90 minute instructional sessions each week. Small groups consist of 8-16 students to every one instructor. Education Station's research-based programs deliver results by targeting each student's skill gaps. Education Station's supplemental education services program will help your child become a better reading or math student.</p>

Description of Services			
<p>The Opportunity Zone (Ozone) Project will utilize funding granted from the 21st Century Community Learning Center grant. Our objective is to provide an enhanced supplemental academic program that is aligned with the regular school curriculum, target the needs of students, and address all core content with a strong emphasis on mathematics and science through hands on and real world applicable activities. All activities will be designed to support the program of studies and Kentucky Core Content. The OZone project recognizes the need to provide students more opportunities to develop stronger skills.</p>

Street Address 1:	827 Westerfield Drive	City:	Providence
Street Address 2:		State:	KY
Telephone:	(270) 667-7105	ZIP Code:	42450
Technology Accessible?	YES		
Areas Served:	Webster County Schools		
Description Of Services			
<p>This Pleasant Hill Tutoring Program is designed to aid students in improving their academic skills in a caring environment. The program is founded in basics and development of responsibility and character. Improvement in student achievement has been documented through test scores and student activities. A more long-lasting effect of the program is the development of goal-setting behavior each child implements. This allows the child to sustain strategies long after their involvement. The program provides components which include parents in all aspects of the process.</p>

Description Of Services	PE & C has qualified instructors that will develop a schedule as well as an academic program that is conducive for all stakeholders. Our ability to serve students 7 days per week allows for the student as well as the parent to continue with their day-to-day activities such as work and school. Our home-based program allows parents to relax and not be concerned about traffic, crowded learning centers, negative peer pressure, scheduling conflicts, and disruptive environments. This home-based approach has successfully raised 85% of the students in the programs test scores. Not only does this one-on-one approach aid in raising test scores, it also gives the students more confidence and self-esteem as it pertains to the overall classroom environment.

Technology Accessible?	NO		
Areas Served:	Laurel; Pulaski, McCreary, Casey, Lincoln, Wayne, Rockcastle, Russell		
Description Of Services			
We have tutored over 200 children in the past 9 years, with positive results ranging from higher self esteem to measured gains in reading and math and reading comprehension. Our highly qualified staff provide small group instruction during the summer and one to one instruction for our after school sessions. Instruction is customized to significantly change student's academic performance. We administer assessments before and after instruction. We address the five components of effective reading instruction: phonics, phonemic awareness, fluency, vocabulary development, and comprehension. We provide mathematic concepts and processes instruction, as well as a math curriculum to help build math skills. We provide cursive writing instruction during the summer school sessions. We also teach sign language in summer school.

Telephone:	(270) 293-4615	ZIP Code:	42071
Technology Accessible?	NO		
Areas Served:	Fulton County Elementary School and Fulton County Middle School		
Description Of Services			
Rainbow Tutors will use guided instruction to help students in reading, language arts and math. Our mission is to provide educational, supplemental services to students that will help them build skills and confidence. We provide services at the school that are aligned with state curriculum standards. A pre-test is given to help determine what specific skills need to be taught. Rainbow Tutors then teach those skills in small steps with lots of time to practice. Frequent check test are given to see if the students have mastered the skill. Only after the students have mastered the skill, will a new skill be introduced and taught. This method will ensure students experience success and build a love for learning. At the end of the semester, a post-test is given to measure growth. Student Progress Reports will be sent to parents and the school once a month.

Street Address 2:	Suite 222	State:	KY
Telephone:	(859) 276-6241	ZIP Code:	40503
Technology Accessible?	NO		
Areas Served:	Those available to come to Lexington for services		
Description Of Services			
<p>The Reading Center has been serving children for over 25 years. All staff have master's degrees in speech/language pathology, state license and national certification. We design intervention specifically for your child based on comprehensive testing in the areas of reading, spelling, and writing. The child works at a level that is challenging but not frustrating. Out of 56 NCLB students served 2003-2005, 89% made progress on 100% of their treatment objectives and the remaining 11% made progress on at least 80% of their treatment objectives. You can observe the session or meet with the therapist at the end of each session for a report on how your child is doing. We provide a written report each month and a summary at the end of the period.</p>

Areas Served:	Jefferson County Schools		

Description Of Services

SOAR offers one-on-one tutoring with flexibility in scheduling and location. Our instructors are certified teachers and other professionals that are knowledgeable, personable, and willing to meet the individual needs of each student. SOAR provides instruction in the areas of math and reading to students in grades K-12. Before tutoring begins, students are assessed to determine their strengths and weaknesses and then, a personalized plan is created to address the weaknesses.

Sylvan - Louisville, KY

Point of Contact:	Sarah Craft		
Email Address (if applicable):	scrafty@bellsouth.net		
Web Page (if applicable):			
Street Address 1:	6801 Dixie Highway	City:	Louisville
Street Address 2:	Suite 124	State:	KY
Telephone:	502-933-3432 / 502-933-1027	ZIP Code:	40258
Technology Accessible?			
Areas Served:	Jefferson, Bullitt, Spencer, Washington, and Nelson County Schools		

Description Of Services

Sylvan Learning Center's strategy for closing the achievement gap is based on students taking a Sylvan Skills Assessment, used to identify your students skill strengths and weaknesses and developing a personalized lesson plan based on those needs. Our student-teacher ratio of 3 students for every teacher uses the strength of personalized lesson plans and individual attention to improve the reading or math skills of your child.
